

INS LifeGuard

Client Portal

Secure, Convenient Access to View and Update Your Personal Information Held by INS LifeGuard at Any Time

The **LifeGuard Client Portal** is an innovative, secure intranet site that allows clients, their family members and caregivers (with permission) to view or update the information held by INS LifeGuard at any time. This helps empower clients in-line with Consumer Directed Care.

Do away with paper forms!

- Update personal details including phone numbers
- Update your security key holder code
- Edit GP & Pharmacy details, and medical information
- Edit your Emergency Contacts, and grant or withdraw permissions for them at any time
- Stay up-to-date with the latest news from INS LifeGuard

Simply call to request access to the Client Portal, either for yourself, your family or caregiver.
